Sir, Through:-
The Chairman,
Municipal Council, Mangalore.

Sir,

In January 1938, one Sri Kudupi Bhujang Rao a philanthrophic gentleman was generous enough to present an ambulance car to this Municipality in loving memory of his late father. It is being used to provide a suitable conveyance for the sick to go to the hospitals within municipal limits and the Municipal Council has in its Resolution No.21 dated the 8th August 1938 have framed rules for the use of the

ambulance

ambulance car. Government have in G.O.No.Ms.3159 P.H., dated the 5th September 1938 sanctioned the posts of a driver and a cleaner for the car. During the audit of the accounts of the Council, the District Inspector of Local Fund Accounts raised an objection against the incurring of expenditure on the maintenance of the ambulance car on the ground that the expenditure incurred on the maintenance of the ambulance car is not one of the authorized or obligatory items detailed in rules 39 and 44 to 46 of Part II of Schedule IV of the Madras District Municipalities Act 1920. In the circumstances explained I request Government may be pleased to sanction the expenditure on maintenance and other incidental charges on the upkeep of the ambulance car especially in view of the very useful work turned out by its maintenance for the past few months. A copy of the objection statement on the subject is enclosed.

Audit Report - General Funds - 1937-38

ø 9., Maintenance of an Ambulance Car given as a gift.

(a) The gift of an ambulance car by Sri K. Bhujanga Rao was accepted by the Council in its resolutions No.1 dated the 18th October 1937 and No.1 dated 17th January 1938. The council has not yet framed rules and regulations for the use of the car and the fee or hire to be recovered from all persons using it, except the poor, as desired by the donor.

(b) As the expenditure incurred on the maintenance of the ambulance is not one of the authorized or obligatory items detailed in Rules 39 and 44 to 46 of Part II of Schedule IV of the District Municipalities Act the sanction of the Government would be necessary thereto. For want of such sanction the expenditure aggregating Rs.168-0-6 incurred on the following items in connection with the maintenance of the ambulance car is held under objection.

(i) the appointment of a driver and a cleaner

(ii) the purchase of petrol, and

(iii) registration.
